

**WORKING
FOR VETS**

We've dedicated over
\$3,500,000
to support organizations
addressing challenges in the
veterinary industry.

SUPPORTING YOUR CALLING TO CARE

Our goal is to help reduce the stress-inducing challenges you face each day.

We've dedicated over **\$3,500,000** to organizations that provide services to support your mental health and the health of your patients.

HELP FOR STRESS, EXHAUSTION, AND BURNOUT

Find a mental health community group of peers in the industry through the **Veterinary Hope Foundation**, as well as mental health financial support through **Paisley Paws Betterment of Mental Health Fund**.

SUPPORT WHEN CLIENTS CAN'T AFFORD LIFE-SAVING CARE

Receive grants to offset the cost of your time and services when helping pets in need through the **AVMF REACH Program™**, plus financial assistance through the **Paisley Paws Life-Saving, Life-Enhancing Angel Fund**.

EXPERT CARE FOR CHALLENGING BEHAVIOR CASES

Millions of pets struggle with fear, stress, or anxiety. **Ease** partners with clinics to provide clients with guidance from board-certified veterinary behaviorists to improve outcomes and keep more pets in their homes.
